Medicine distribution.

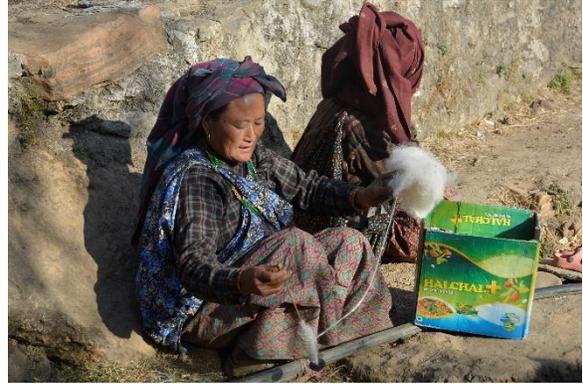

---

Sanitation and hygiene is big challenge.

---

**Comment of the local government and leaders:** - Local government leaders, school teachers, were very supporting and happy with the HDCS- hospital and medical camp. Total cost of these camps was Euro 4998 Including medicine, supplies, transportation, food, advertisement, and other.

Thank you to our donor partner for great support. This Vision wouldn't have been possible without the dedicated and serving hearted staff and involvement of Community. We thank local leaders, school teachers and Nepal police. HDCS- Chaurjahari Hospital wishes to express its gratitude to Gossner Mission and its support in making it possible to provide this service to the poor people.

**Thank you for your great help to us.**
