<https://bit.ly/3Wfe5ut>

<b>Project Location :</b>	West Rukum, Nepal
<b>Service type :</b>	Medical Emergency and Health Response Project / Hospital
<b>Type of Contract :</b>	Yearly contract for three years
<b>Post Level :</b>	Project support level
<b>Reporting to:</b>	Medical Officer
<b>Supervisory role:</b>	None

## Organisation Background:

Human Development and Community Services (HDCS) is a faith-based NGO working in three main sectors of health, education, and community development since 1991. Currently, it manages various projects across Nepal especially in rural regions and provides services through hospitals, health camps, public health programs, disaster preparedness and response, school development programs, teacher training, educational daycare centres for children with special needs, and community radio stations. HDCS is committed to attract and retain the best employees from all ethnicities, gender and backgrounds in its vision to transform the communities.

## Responsibilities:

The Paramedic will be responsible to provide paramedic medical services in the Chaujahari Hospital West Rukum. This will be especially in the emergency room service of the hospital, onboard the newly established ambulance emergency medical service, in disaster preparedness activities and in case of a disaster response.

## Conditions:

This is a full-time position with minimum 40 working hours per week. The employment contract will be subject to annual renewal upon satisfactory performance. Initially this position is for three years over the project period but may continue further subject to funding availability. The position is based in Chaurjahari, Rukum, but with frequent field visits in West Rukum, Salyan and Jajarkot, plus occasional travel outside the project area.

## Qualifications:

- HA course with at least 1.5 years' work experience and or CMA course with 3 years' work experience
- Experience in emergency medical situation management will be given a priority
- Valid certificate of Nepal Health Professional Council (NHPC)
- The ability to make swift decisions and stay calm under pressure
- Prior work experience in the respective area of the work is appreciated
- Self-motivated and willing to work with diverse team of people in emergency
- Love for the remote communities and willing to mingle with local people
- Learning attitude and passionate to share knowledge and skill with the team on critical health emergencies
- Strong verbal and written communication skills in English and Nepali would be an asset
- Valid driving license of any category would be an advantage
