

Vacancy Announcement for Nurse Trainer (Volunteer)

Publication Date: September 07, 2025

Established in 1991, Human Development and Community Services (HDACS) is a faith-based NGO working in sectors of health, education, community development, and disaster management. Currently, it manages various projects across Nepal especially in rural regions and provides services through hospitals, health camps, public health programs, school development programs, teacher training, special needs education centres, community radio stations, and community led disaster management approaches. HDACS aims to improve the quality of health services and education facilities for impoverished communities and increase access to quality health care, education and livelihood opportunities for the poor and underprivileged without discrimination. HDACS is committed to attracting and retaining the best employees from all ethnicities, gender and backgrounds in our vision to transform the communities.
