

Vacancy Announcement for Maintenance Consultant (Volunteer)

Human Development and Community Services (HDCS) is a faith-based NGO working in three main sectors of health, education, and community development since 1991. Currently, it manages various projects across Nepal, especially in rural regions and provides services through hospitals, health camps, public health programs, disaster preparedness and response, school development programs, teacher training, educational daycare centers for special needs children and community radio stations. HDCS is committed to attracting and retaining the best employees from all ethnicities, gender and backgrounds in our vision to transform the communities.
